

IF YOU'VE BEEN CRAVING BIG, EXPLOSIVE, OVER THE TOP ACTION, THIS IS THE FILM YOU NEED. YOU'RE NEVER QUITE SURE OF WHAT WILL HAPPEN NEXT, BUT YOU ALWAYS KNOW IT'S GOING TO BE SOMETHING BIGGER EACH TIME!

In addition to demolitions and surveillance experts, Gao Gang's team also includes Bingo, a remarkably well trained Malinois. He is definitely handy to have around, but don't think this is a Benji movie, because it isn't.

The task force has a dog. It's a happy looking Malinois. His name is Bingo. He has ninja-like hiding abilities. He's unarguably the most heroic and likable character in the film. I would be doing you, the reader, great disservice without mentioning that a dog has a major part in the team dynamic.
